## RESPONSE TO COVID-19 at BPPL- SPM

Since the occurrence of first COVID-19 case, the entire world is continuously taking due measures. Situation became more serious once the World Health Organization (WHO) has determined the Coronavirus disease 2019 (COVID-19) as a pandemic on 11 March 2020.

Under the guidelines of International organizations, instructions promulgated by Government officials and Industry best practices, BYCO Petroleum Pakistan Limited (BPPL) has taken number of steps as safety precautions. Few highlights at BPPL – SPM site are as under:

### **A. SPM – ZP (Shore site):**

#### **a. Compliance Of AHR Recommendation**

Following steps taken at SPM site under the BYCO Guidelines - Pandemic Response by VP AHR (dated 17<sup>th</sup> and 22<sup>nd</sup> March 2020):

- Encourage Work from home to minimum interaction of people, as applicable.
- Provide specialized mask N-95, surgical mask, hand Gloves, apron etc. as PPE compliance.
- Limit number of persons in pool transport with compulsory use of facemask.
- Place hand sanitizers in appropriate places & promote hand washing culture at site.
- Perform Thermal scanning of all individual at main gate entry as defensive actions.
- Display COVID-19 awareness poster by BYCO Clinic and BIMCO (maritime) at noticeable places.

#### **b. Additional Steps**

- Issued Safety Bulletin on 'Hygiene Requirement- COVID-19 Pandemic' dated 31<sup>st</sup> March 2020.
- Conducted Awareness session on 'Health and Personal Hygiene – COVID-19' on 18<sup>th</sup> and 21<sup>st</sup> April with participation of concern staff.
- Routine rounds at SPM site with particular attention to health and hygiene matter.
- Increased cleaning and disinfection daily cycle at SPM site office block, pantry and other associated places.
- Provided assistance in SPM site visit to representative of Disinfection services (Pakistan Facility Management). Contract is under process to disinfect the site.
- Replacement of Hand scanning attendance to latest Retina scanning to mark attendance.
